Biometric Cashless Catering System

Friern Barnet School uses a cashless catering system. It works by using your child's finger print which the system will recognise at the till.

As per current legislation we will be operating an 'Opt In' policy. Please tick the box below to give your consent.

If you choose not to have your child registered using the thumb print technology a 4 digit PIN code will be allocated.

Emergency Asthama Inhaler Opt out Form

Friern Barnet School is now permitted to hold emergency Salbutamol inhalers. As such we have reviewed our asthma procedures and will have an emergency inhaler on site. This is a precautionary measure. If your child suffers with asthma you still need to provide your child with their own inhaler and spacer as prescribed.

If you do not wish for us to use the schools inhaler in an emergency please tick the box below to 'Opt Out'.

Trip Consent

As part of the curriculum it is sometimes necessary to extend learning to areas outside of the classroom to conduct local studies. Where this is necessary, we (Friern Barnet School) are not required to obtain consent from parents/carers if the off-site activity takes places wholly during school hours. Whilst you do not have the option to withdraw your child from the school curriculum, we will always inform you of any such visits in advance.

For any trips/visits that extend beyond normal school hours, consent will be requested via ParentPay in order for a student to participate.
