

Key Stage 4 News Bulletin Autumn 1 2024

Dear Parents/Carers

Well done to Year 10 for reaching the end of their first half term of Key Stage 4.

The majority of students have returned with a positive up-beat attitude to the start of their GCSE studies and I am proud of the maturity that many of them have shown. I am very happy to see Year 10's getting themselves involved in a number of [Extra Curricular Clubs](#) and activities such as the auditions for the musical and rehearsals, student parliament and a verity of sports! We are finishing off this half term with our Black History Month celebration where students will be performing and reading out their speeches in the LRC.

They can look forward to a well-deserved break where they can recharge and be ready for another half term of learning.

Have a restful half term!

Key Stage 4 News Bulletin

Dear Parents/Carers

It has been a long constructive half term! It started with students having a Kick Start meeting where each student set themselves targets for the term/year. We hope these targets will have focussed the year 11s to work hard in preparation for their November mocks which start on Monday 18 November 2024.

An additional motivation to work hard has been the Post 16 Careers fair and college visits. Year 11s are really having to seriously consider life after FBS. The Maths department have already started Monday support sessions which have been very well attended reflecting the serious attitude that year 11 students have for their studies.

During half term, students should take the opportunity to rest and recharge, but they should ensure that they revise in preparation for their mocks which start 2 weeks after their return to school. I recommend up to 3 hours of revision a day separated into 30-minute sessions over the half term week. Please see our Firefly page for it's excellent revision resources: ([Dashboard — Friern Barnet School](#) got to Resources/Faculties) and if you haven't done so, please visit the school shop [Friern Barnet School](#) for subject revision guides and workbooks. Have a restful but productive half term.

Have a restful half term

Take the time to research:

- Whether you want to go to 6th Form or College.
- Which course you want to study when you go there.
- What their entrance requirements are (the grades you need to get in).
- The application deadline (it is better to apply as soon as the application window is open).
Remember- you are competing against all year 11s in Barnet, Enfield and Haringey for places.
