Welcome

“We are passionate and determined at Friern Barnet School to give every one of our year 9, 10 & 11 students the opportunity of connecting with our alumnae family – to be able to reach the right person, at the right time, for advice on study and/or the world of work and careers.

That’s why we’re launching Friern Barnet School Rungway, a new digital platform where our students can post questions – with the option of anonymity – and tap into the amazing pool of wisdom and experience that you, our alumnae, have. We appreciate your generosity in offering to take part, and I thank you for supporting this unique initiative.”
